TO WHOM SO EVER IT MAY CONCERN

We had procured 1 no Stall torque motor operated cable reeling drum during August 2014 from M./S Mitool Equipments Pvt Ltd,Ambernath(Mumbai) for our stacker/reclaimer against our purchase order no HBCIPL .2014.PO.NO.038 dated 13-7-2014

Details of supplies: Stall torque motor(Mark Elektriks make) driven Mono Spiral CRD suitable for 4Cx95 sqmm trailing cable of 58mm OD and 140M travel with roller guide and turn over anchor for Centre fed power supply.

This CRD was supplied well on time as per contract and was successfully commissioned In our plant during 2014 and running satisfactorily since one year without any problem .

We are extremely happy with the performance of Mitool CRD and their after sales services.
